AMENDMENTS MADE TO THE

M I L I T I A A C T,

And passed the Legislature on the 23d of December.

And be it further enacted, That it shall and may be lawful for the Colonel or Commanding Officer of every Regiment, as often as he shall see necessity for it, to direct by warrant under his hand and seal a Court of Enquiry to sit, to consist of not less than one Field Officer, two Captains, and three Lieutenants or Ensigns, to enquire into the return of all Warrants, which shall have been issued against persons for not enlisting, and also of all such persons generally or shall be informed against for not enlisting; which Court, shall have power and authority to call out one Non-Commissioned Officer and four Privates from each Company of the Regiment, who may be sent out in parties for the purpose of bringing in such Delinquents, and in case such persons shall resist in being brought in, or shall refuse to enlist, he or they so offending, shall forfeit the sum of 40s. to be levied by Warrant under the hand and seal of the President of such Court, directed to the Deputy Marshall of the District, such Warrant such Marshall is hereby authorised and commanded to execute, (under the penalty of 50l. to be recovered in the Supreme Court, by any person suing for the same), on any Goods or Chattels of such offender or offenders, and in

case no Goods or Chattels shall be found, to take the person or persons of such offender or offenders, and him or them to carry to the Gaol of the town or district, there to be confined for three days, or until he or they shall pay the fine.

And whereas, It has been found very prejudicial to the service, to have too many Officers attached or belonging to the Regiments or Battalions of Militia in this Island. *Be it therefore enacted*, That from and after the passing of this Act, there shall be no more than one Colonel two Lieutenant-Colonels, and two Majors for each Regiment or Battalion of Horse or Foot, (except where Regiments consist of two or more Battalions, where it may be necessary to appoint a Colonel-in-Chief), and one Captain, two Lieutenants, and one Cornet or Ensign for each Troop or Company, of which such Regiment or Battalion shall consist, and one Adjutant, one Quartermaster, one Surgeon, and three Surgeons Mates, for each Regiment or Battalion, and one Quartermaster, one Surgeon, and one Adjutant to each Troop of Horse.— And that any Colonel or Commanding Officer, who shall in future recommend any person to a Commission, unless there should be a vacancy in the above number of Officers, shall suffer such fine as a General Court Martial shall award, not exceeding 100l. provided that nothing herein contained, shall be construed to impeach the rank of any Supernumerary Officers who may be already appointed to any Regiment or Battalion.

And whereas, It is highly necessary towards preserving good discipline and due obedience, that the example of good behaviour should be set by all Officers to their inferiors, *Be it enacted*, That any Officer or Non-Commissioned Officer who shall wilfully or wantonly oppress or maltreat any inferior Officer, Non-Commissioned Officer, or Private, he or they so offending shall suffer such punishment by fine or imprisonment as a general or regimental Court Martial shall award, according to the nature, degree, and circumstance of the case and offence; but if any complaint so made, shall appear to be groundless, frivolous, vexatious or wanton, the Complainant shall suffer such punishment, by fine, and imprisonment as the Court trying the complaint shall award.

Any Officer, Non-Commissioned Officer, or Soldier, who shall use reproachful words, strike or draw any weapon upon or against, or offer any other wrongful violence or force, to any other Officer, Non-Commissioned Officer or Soldier whilst on Duty, shall suffer such punishment as either a General or Regimental Court Martial shall award according to the nature, degree, and circumstance of the case and offence, by fine not exceeding the sum of 100l., or imprisonment not exceeding ten days.

The rank of different Regiments or Detachments of Cavalry or Infantry, shall be ascertained by the date of the Commission of the Colonel of the Regiment to which they respectively belong.

But there shall be a right of Appeal from the sentence of a Regimental Court Martial, to a General Court Martial, which last mentioned Court, shall in any case of a frivolous, groundless, or wanton Appeal, have power to encrease the punishment of the Regimental Court, (subject however to all limitations in respect of punishment in this Act contained), and also to award costs to the party aggrieved by the Appeal, and to direct a compensation to be made by the Appellant to the Judge Advocate or Deputy Judge Advocate, having the trouble occasioned by the Appeal. The increased punishment, the payment of such costs and making such compensation to be enforced by imprisonment, under the Warrant of the President of such General Court Martial.

This Act is to be in force till the 31st day of December, 1802.
